- BROOKVALE, NSW

Dad & Dave's #1 Pale Ale is brewed with 100% Australian Pale Malt and Pacific Gem hops (New Zealand). The malt and hops balance the malt sweetness and the tropical fruit flavour.

MISMATCH BREWING CO. EVIL ARCHIE'S RED IPA

- RED IPA

This well balanced Red IPA has a fantastic malt structure. On the nose you get pungent dank and resinous hop aromas with a touch of tropical fruit and spiciness.

- BASKERVILLE, WA

Jet black in colour with a tightly packed mocha head and a viscous full body. Brewed using five speciality malts including roasted dark and chocolate barley imported from the free economic world.

SYDNEY BREWERY DARLO DARK

- DARK ALE
- ABV: 4.9%
- SURRY HILLS, NSW

A bold lager with a dark side, a rich, deep, slightly chocolatey dark side. But it also has a soft side, balanced, surprisingly refreshing and smooth. It's the perfect beer for winter.

HOPE BREWHOUSE XPA

- XPA
- ABV: 4.7%
- POKOLBIN, NSW

Tropical fruit, citrus, toffee and malt flavours and aromas are dominant. The beer is rounded off with solid bitterness that is typical to the style.

GRAND RIDGE JOKER & THE THIEF BLACK IPA

Black as the humour of the Crown Prince of Crime, brooding spicy pine with understated citrus. The dry coffee finish will have you coming back for more.
